State Tournaments Finish Up

I want to thank everyone that helped cover the State Cup Matches over the last few months. Without everyone's help, we could not have covered all of the matches. We had a very good record on the field, thanks again for representing TCSRA.

Bob will be doing the training this month at the monthly meeting. Come prepared to participate. This would also be a good time to ask any questions you might have for Bob as he makes about every third meeting.

See Lewis for any checks that you have not picked up at the last meetings.

I will not be at the meeting as I have a play to go to. Yes, I know you did not think I went to plays. But I am, so I will see you at the May meeting.

CSL, State Cup, Tournament & More!

We have a busy weekend coming up. Besides State Cup and the CSL Spring League, we will also have a tournament. It is the Claremont Stars Spring Cup. They stopped doing tournaments for a number of years due to lack of help to run them. Their new Director of Coaches is really gun ho! He hopes to have at least 2 per year. This one will be small to most standards as they try and rebuild the number of teams they had in the past. Most of the games they want only one ref to keep the cost down. We hope that their success and ours as officials will be the start of another successful run for both of us.

The CSL Spring League will end in our area April 28th. I have no idea how many more weeks of the State/ National Cup older fields we will get to assign. Please watch your emails. I will send out information as it becomes available to me. I don't have anything behind this month as far as tournaments that we will be asked to help. I assume May through August we will be busy with the same ones as last year.
