## Happy New Year!!!

I hope that everyone had a great holiday. We are getting a fast start to the new year with Legends Tournament this weekend and the FC Man United Tournament on the 21st & 22nd Then we get into the State Cup Tournament starting the week after that. I hope everyone got all of there work around the home finished, so you can jump into some games. If you have not given your availability to Bob you need to get it into him ASAP.

To get us started on the right foot this year we will be covering Report Writing at our membership meeting this month. This will help you if you have to write a report, remember that if you send a playor or coach from the field during State cup you have to write the report at the field before you leave so this lesson will be a good refresher for all.

Lewis will have checks for all of the tournaments that we have covered in the last few months so make sure you see him after the meeting to pick up your checks..

See you at the meeting.

# Welcome To The Family!!!

We want to congratulate Jeremy, Amanda & Logan on the arrival of Kaelyn to the family. Enjoy your gift. We will see Jeremy next month, as you can guess he is very buzzy with the family.

# Tournaments & State Cup!

I hope all of our members had a very Merry Christmas and Happy New Year. I trust you all rested up for a very busy start of 2012. It begins this weekend with the Legends Cup (Jan. 14-16). The following weekend will be the Man. United tournament (Jan. 21/22). Both are local tournaments for us. If you are not receiving my availability requests for these events, e-mail me today at [assignor@tcsra.com](mailto:assignor@tcsra.com). on the same website above.

The weekend of Jan. 28/29 is the start of the Cal South State Cup for the under 13's and below. Watch for updates and availability via my e-mail messages.

We have received payment for all unpaid events, no-shows, etc. for 2011. Make sure

you see Lewis Dice (our treasurer) at the January meeting to get your

check. He also has quite a few of past

checks not picked up by some members.

As we start 2012, keep in mind that you need to take care of any upgrade requirements and re-certification hours early.

Some of our members waited until the end of December only to find they are not registered for 2012. Let me know if I can help in any way.
