With State Cup beginning this weekend for those who received games let's remember to be humble, respectful, responsible and professional. For all of you who are registered this year, go on-line to the California SRC South Facebook page, and request to join the "California SRC South Registered Officials" private group. Also, always be on the lookout for referees who would like to join our association, we are always looking to add referees.

State Cup is back!

Some of our members had a chance to be referees on the first weekend of State Cup for the youngsters. The numbers are down due to fewer players returning. Those teams that played had a great time getting back on the field. Everyone was pleased with the officials. It will be a short tournament with a total of 6 weeks including the olders. Please let me know if you want to be part of this level of competition. The CSL season will run until the end of June. There are lots of games of all levels. We are hoping all of our members get registered before the 2021 deadline for recertification in mid June. Call me if you are having problems with the process.
