## Membership Meeting Tonight 5/11/23

Our Meeting is Thursday May 11th at 7pm and I hope to see you all there. Bob will be going over the 2023 law changes so it will be an important meeting to attend. We also have 2 tournaments coming up this month, so please send in your availability so we can secure some fields.

The deadline for the 2023 season is coming up so if you want to referee this fall, please log into CalSouth and register for this year. Also, while you are there and you need to upgrade your uniform, get the new Capelli shorts and referee shirts and support the CalSouth SWAG store.

Lastly, we need to make a push for new members, our membership hasn't dropped but it hasn't increased either. We need all of our members to recruit new members, so if you are out at some local tournaments, try to get the word out that we are looking for referees.

### Spring Soccer ends, tournament season starts!

We are almost done with our Spring Soccer season with CSL. There were very few teams that played in Spring season this year. I hope this isn't a reflection of what is to come this fall. Now that Spring season is ending, our tournament season is about to begin. We start off this month with two tournaments: Legends Classic and the Cerritos Memorial Challenge Cup. Please be sure that I have your correct email address if you didn't receive my availability request previously sent out.

Our monthly training this month will include the Law Changes for this year. I hope to see all of our members at the meeting to learn what changes that take effect July 1st.

Lewis will have checks for those that have money due to forfeits, GA and DPL games. Please let Lewis know that you are coming to the meeting so he can have your check ready.
