Fall Season Coming To End!!

The Fall season is coming to an end just a few more weeks of Coast Soccer League and SCDSL games. We will have one more tournament in December so look for Bob's email looking for your availability.

This months Membership Meeting is our last of the year. We do not meet in December so that you can have the time to spend with family during the holiday season. Make sure that you attend if you need more training hours. If you cant attend and you need more hours check to see if any other groups are meeting or you can attend the State Symposium in San Diego you will need to sign up on the Cal South website if you plan on attending that meeting.

We will be reviewing important items during the training secession.

Fall Leagues

There is only 2 more weekends left for games with our fall leagues. If you didn't request an assessment, it really is too late to find games that will qualify. With the high school soccer season starting next Monday, the next few weekends are mostly the U13 and below.

Please set aside the weekend of Dec 8 & 9 for our last tournament of 2018. It will be the Irvine OC Galaxy Cup. I will be asking for availability around the beginning of December. And finally, see Lewis at the meeting on Thursday for those that have checks due to them. This will be your last opportunity to get your Christmas money from him.
