TCSRA Newsletter #309

November 2020

From The Prez!

By Mike Rodewald, President TCSRA

I hope all of you are well and safe, a lot has been going on the past few weeks especially with the November 3rd vote. I hope we all can stay calm and get through the next four years without much kaos.

It is now November and we need to register for the 2021 season so go online and get your grass roots or regional test done before the end of the year. I hope to see you all at one of our meetings soon, until then wear your masks and remember to social distance yourselves.

From The Assignor

By Bob Karmann USSF Assignor

The word of the month is "Hurry up and wait". I know everyone is anxious to get back to refereeing. We are still awaiting the words from our governor that gives us the "all clear" signal.

As I told everyone last month, as of July 1st , you must have taken the Concussion, Cardiac Arrest & Safe Sport online training. If you have not, your name is now on a "do not assign" list for 2020 until all of these requirements are completed. I looked and a number of our members are still on that list. Please take care of that training ASAP. Here is the link to check for yourself:

If your name doesn't appear on the "registered officials list for 2020", then check the "removed ROL list for 2020". If it was removed from the registered list, you need to click on the removed list to find out what you are missing to get registered.
