## Law Changes Review Continue

We will continue with the review of the law changes this month at our monthly meeting. Bob will be instructing this month and will cover any issues that have come up in the first few weeks of the season. I am in Germany on vacation.

I think everyone is aware that there are more games and less referees this year. The lack of officials is due to many officials not taking the Safe Sport training. This is not just our group it affects all of the groups, if you or someone you know is registered but needs to complete the training please go and get it done the game needs everyone to cover the games with the 3 man system of control. If you have not finished the training do it ASAP and let Laura know so she can get your name on the approved list.

Make sure that you see Lewis for checks he has payment for everything that has been covered.

Be safe on the fields and enjoy the season

See You On The Fields.

## From The Assignor

### Games Continue Through November

We have had our share of games to officiate. I believe everyone that has sent their availability has had more than enough games to do. For those needing games for upgrade, let me know ASAP. Time is running out. In just a few weeks, the older divisions will be playing League Cup which don't qualify for assessments due to shortened games.

Lewis will be at our Thursday meeting with lots of checks. We have finally been paid for all tournaments we covered this summer. Please come and see Lewis.

This month we are finishing up the LOTG changes for 2019/2020. Please attend so you are current on how to apply the changes, all 44 of them.

# Monthly Membership Meeting Information
