New Position Paper Review Tonight!!!

A lot has been going on in the past month across the soccer world. WPS has been concluded with the championship game, MLS is in the 26th week of the season, and the PDL has concluded with their championship. With all of these games going on, there is plenty of soccer to watch around the states. Additionally, the U.S. national team is in the midst of playing qualification games. With all of these games, we as referees are able to watch the best referees demonstrate their skills. I had the opportunity to attend the State Instructors Course in Chula Vista a couple of weeks ago. During the course, Brian Hall made a presentation in regards to the new position paper. I will be discussing the new position paper in length at the meeting. Additionally, we will be talking about handling the ball and the interpretations to this foul.

On our home front, we have a new State Referee Committee (SRC) in place. Our new State Referee Administrator is George Noujaim, State Director Instruction Nasser Sarfaraz, State Director of Assessment Arturo Angeles, State Director of Assignors Dan Goldmann, and State Mentor Program Toros Kibitrijian. I am going to try to invite some of the SRC to an upcoming meeting to provide the membership with a chance to interact with them.

Please make sure to attend the upcoming meeting and bring questions.

From The Assignor

Coast Soccer League is starting this weekend!

Well it seems like we just finished up their spring season when here we are back in the fall season. We will have at least 36 fields to move our referees around on this fall for CSL. We have many U19 for those needing games for upgrade count or assessments. You will need to plan now as they don't last long into the season. We have to make sure that the match reports are mailed no later than Monday to the CSL office. They are going to charge our association (at least 1/3 of the game fee) for any report not received by Thursday

after the match weekend. The association in turn will be charging the referees this fee. Please be sure to get a stamped, address to CSL envelope from the home coach before the match starts.

Lewis will have checks for the United Cup and the West Coast Classic at this meeting. Be sure to check with him for any money from these tournaments due to you. I am not sure if I will make it to the meeting but Lewis will also have the CSL rule books for you. Rick will be talking about the highlights of the Presidents/assignors meeting we attending last month.

For those that are new, make sure I have your e-mail address by e-mailing me at assignor@tcsra.com. I don't want you to miss out on all the matches we have this fall season.
