## Law Changes Continue & Leagues Review

We will continue with the review of the law changes this month at our monthly meeting. Bob will be instructing this month and will cover any issues that have come up in the first few weeks of the season. I am in South Dakota visiting family.

I think most of you completed the safe sport training or I would have had Bob calling me so good job. If you have not finished the training do it ASAP and let Laura know so she can get your name on the approved list.

Be safe on the fields and enjoy the season

See You On The Fields.

### Fall season is in full swing!!!

At the writing of this article, we are about to start the fall season. I can only imagine the issues that may arise with the LOTG changes this season. I encourage all members to read all of the attachments I have been sending out the past few weeks. Too many things to put in an email. Make sure you attend the meeting on Thursday as I will review any issues that happen. We will also be going over handball with a couple dozen videos to watch.

For those that need assessments. Let me know ASAP. I have the game schedules for the entire season where I can assign you a game in the future for your assessment needs. Also, if you change your email, add another one or cell number change, you MUST send that information to me right away.
